

# **2019 NW Ohio Regional All-Star Football Game**

*29th Annual Game Presented by the Perrysburg Athletic Boosters*

**Game Date:** Friday, June 21 @ 7:00 p.m. @ Steinecker Stadium (Perrysburg).

**Practice:** Monday, June 17 through Thursday, June 20. See attached schedule  
All practices will be at Perrysburg Junior High School (550 East South Boundary Street)

**Coaches:** Coach Ken James will coach the Gold Team.  
Coach Tom Ferguson will coach the Black Team.

## **Athlete Responsibilities**

- Athletes are responsible for their own equipment. We will provide a mouth piece and a game jersey only. WE WILL NOT HAVE ANY PRACTICE EQUIPMENT AVAILABLE. Athletes should also provide their own practice jersey. Athletes will have to make arrangements with their varsity coach to check out needed equipment.
- Always bring tennis shoes to practice incase inclement weather forces the practices to be moved inside.

## **Communication**

- Communication will be established through email. If you have not received emails from Scott Buker already, please send an email to him at [sbuker@perrysburgschools.net](mailto:sbuker@perrysburgschools.net) to receive the All-Star Updates. If you are using your high school's email address, please ensure it will still be active in the summer or provide an updated email. Scott Buker can also be reached at 419-376-0726.
- If your plans on participation change, please notify Scott Buker.

## **Game Notes**

- The game will follow the same operating and game rules as an OHSAA football game. After the second day of practice we will make a determination if the game will utilize special teams (kickoffs, punts). This will be determined by athlete experiences in this area. If it is decided to not utilize special teams, change of possessions will take place at the team's own 30-yard line and punts will be an automatic 35 yard change in field possession.
- Visors will not be permitted to be worn during the game.
- Every attempt will be made to give as close to balanced playing time for all athletes. Each team will have an All-Star Game Support Staff Member to assist in keeping track of playing time.

## Participation Guidelines

It is important that athletes attend practice and are on time to practice. Each team is only given five practice days. Any missed practices creates a significant challenge in coordinating the schemes, player rotations and knowledge of the systems needed to play a competitive game.

- **Missing Practices:**

- Athletes are only permitted to have one excused absence during the week. This absence needs to be communicated to the team's head coach and Scott Buker prior to the absence occurring. If an athlete has one excused absence they are eligible for only two quarters of the game on Friday night. It is important that you have contact information for both your head coach and Scott Buker.
- An unexcused absence or two missed practices will disqualify the athlete from participating in the game Friday night.

- **Sportsmanlike Conduct**

- Among the criteria for nomination was the sportsmanship of the athletes. The expectation is that all athletes will demonstrate sportsmanship during the week of practice towards teammates, opposing athletes, coaches, All-Star game staff, officials and property. If athletes violate this it could result in reduction of playing time or removal from the game.

## Athletic Trainers

Athletic trainers will be available during the week of practice and the game. If an athlete needs to see an athletic trainer please communicate with the trainer and make the arrangements before that night's practice.

## Waivers

Athletes will be required to sign a liability waiver prior to beginning practice. If the athlete is under the age of 18 the waiver must also be signed by their parent or legal guardian.
